RE: Class Rule Changes for 2020 iQFOiL European Championship

In accordance with RRS 87, the iQFOiL Class permits the following Class Rule Changes through the Sailing Instructions. This has been consulted and approved by World Sailing.

Amend E.1.1 (Hull Appendages – Parts) to read:

(d) ... :

...

v. one of the six seven angle spacers (-2, -1.5, -1, -0.5, 0, +0.5, +1).

...

Reasons: Other updates to the class rules are pending World Sailing approval, this dispensation allows the use of the +0.5 shim whilst the class rules are updated.

Sincerely,

A handwritten signature in black ink, appearing to read "GCH", with a horizontal line underneath.
